For the Rest of your Family

2020!!

It is with great relief that I am writing this newsletter as it means that I made it through the silly season! December was crazy here at the Practice – lots of sick patients and unfortunately a few crazy people too but thankfully all of my patients went home and recovered. But if I am honest, I think that I am still recovering from those crazy people 😊

As we all enter into the next decade, I am hoping for change. I am hoping that people start treating each other with respect and that people start giving more, rather than taking. I am hoping that people stop abusing other people and animals and that all the poor animals that were abandoned at rescue centres over the Festive Season find their forever homes. I am hoping that people start taking responsibility and that we choose to do the right thing – always.

Sadly, Parvo (Catflu) is rearing its ugly head again so please, if you have a new puppy, take advantage of this month's focus at the Practice, and get your puppy vaccinated. Do not take your puppy to other social places until they have had all 3 of their puppy vaccinations as the risk of them getting exposed to this virus is extremely high. Your puppy needs to get vaccinated from 6 weeks of age. There should be 3 to 4 weeks in between each vaccination.

I am so thankful for the rain that has fallen but with this, ticks and fleas are becoming a problem. Ensure that you are applying or dosing an effective product to your pet as per the guidelines for that specific product. Please make sure that you only apply or dose dog specific products to your dog and cat specific products to your cat. Please remember that dog specific products can kill your cat.

Unfortunately, as with most companies and practices at the beginning of the year, we have had to have a price increase. The new pricing will take effect as of the 1 January 2020.

If you have any questions or concerns, please do not hesitate to contact us on harmelia.animalclinic@gmail.com or go to our website.

PLEASE REMEMBER TO PHONE THE PRACTICE IF YOUR PET NEEDS HIS OR HER CHRONIC MEDICATION, BEFORE COLLECTING, SO THAT THEIR MEDICATION CAN BE COUNTED OUT BEFORE YOU ARRIVE AT THE PRACTICE.

Our Monthly Focus: PUPPIES AND KITTENS

For the month of January, we are focusing on puppies and kittens, so we are offering 10% off the following:

- Puppy (1st, 2nd and 3Rd) and Kitten Vaccinations (1st and 2nd)
- Puppy and Kitten Deworming
- Puppy and Kitten Tick and Flea Control
- Puppy and Kitten Food
- All Toys and Accessories

If you have any questions about this month's focus, please do not hesitate to contact us at the Practice.

What 2020 has instore for your Pets

Each month we focus on different topics/procedures to try and provide our clients with the best pet care possible but at a reduced rate:

January – PUPPIES AND KITTENS

July – DENTAL HYGIENE

February – STERILISATION/TICK AND FLEA CONTROL

August – OBESITY

March – DENTAL HYGIENE

September – STERILISATION/TICK AND FLEA CONTROL

April – STERILISATION/TICK AND FLEA CONTROL

October – DENTAL HYGIENE

May – SENIOR CITIZEN MONTH

November – STERILISATION/TICK AND FLEA CONTROL

June – STERILISATION/TICK AND FLEA CONTROL

December – SPOILING OUR 4 LEGGED CHILDREN

We will still have WONDERFUL WEDNESDAYS this year so that you can get your adult pets vaccinated at a discounted rate. I strongly recommend that you phone ahead of time in order to get an appointment for your pet's vaccination, especially on a Wednesday.
